Winter Session Wrap-up

March 27, 2017

Repertoire Week

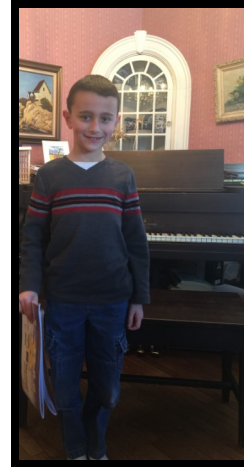

Repertoire Week classes were quite the success! Lesson students performed 2 songs from their current repertoire for on Saturday, March 18th, Monday, March 20th and Wednesday, March 22nd. We enjoyed listening to songs in a variety of styles and time periods. Following the performances we shared delicious snacks provided by the students and their families.

Thanks to all for your wonderful participation!

Spring Recital

Students who would like to perform in this year's Spring Recital are asked to let their teacher know [at the first Spring Session lesson](#).

We will choose one or two songs from your current repertoire. We will also learn a song that every spring recital performer can participate in together!

You'll prepare for the recital by including your recital pieces in your daily practice at home and by attending the rehearsals. This way you will be ready to perform for family and friends at the Spring Recital! Its such a joy to see our students bring their music to an audience and to have their efforts appreciated with applause.

During The Spring

Session...the students will continue collecting Stars for their end of year music goodie bags. To earn the stars, students will take the **"Hot Cross Buns Challenge"**! Ask Miss Katie or Miss Peggy about it!
