### Winter Session Wrap-up

March 21, 2018

#### Repertoire Week

Repertoire Week classes began on St. Patrick's Day and continue this week. Lesson students perform 2 songs from their current repertoire for an appreciative audience in a variety of styles and time periods. Following the performances we share delicious snacks provided by the students and their families. Thanks to all for your outstanding participation!

#### NYSSMA Spring Festival

Congratulations to **Lindsay** for participating in the NYSSMA Spring Festival for piano at the College of St. Rose on March 10th and for receiving a score of Outstanding!

**During The Spring Session...**students will continue collecting Stars for their end of year music goodie bags. To earn the stars, stu-

dents will take the "Technique Challenge"! Ask Miss Katie or Miss Peggy about it!

#### Spring Session

#### Reservations

It is time for current students who have not registered for the full school year to reserve their place in the Spring Session if you haven't done so already. Please email [Miss Peggy](mailto:MissPeggy@misspeggysmusic.com) at your earliest convenience to reserve your spot.

**New students** may email the registration information requested [online](#) to receive a

brochure which includes everything they need to get started.

#### Spring Recital

Students who would like to perform in this year's Spring Recital are asked to let their teacher know at the first Spring Session lesson.

We will choose one or two songs from your current repertoire. We will also learn a song that every spring recital performer can participate in together!

You'll prepare for the recital by including your recital pieces in your daily practice at home and by attending the rehearsals. This way you will be ready to perform for family and friends at the Spring Recital! It's such a joy to see our students bring their music to an audience and to have their efforts appreciated with applause.

#### Discounts Available

Current students receive a **\$10** tuition discount for every new student they refer who registers!
