**NYSSMA Spring
Festival**

Many of our students are participating in the 2019 NYSSMA Spring Festival during March. Students put in the extra practice time to prepare scales and a special NYSSMA piece to perform for an adjudicator. Good luck to all!

**During The Spring
Session...**students will continue collecting Stars for

brochure which includes everything they need to get started.

Spring Recital

Students will let Miss Peggy know **at the first Spring Session lesson** about their participation in the recital.

We will choose one or two songs from current repertoire. We will also learn an opening song that every spring recital performer can participate in together!

You'll prepare for the recital by including your recital pieces in your daily practice at home and by attending the rehearsals. This way you will be ready to perform for family and friends at the Spring Recital! Each performer will gain valuable experience playing and/or singing in a larger setting than in our repertoire classes.

**Discounts Avail-
able**

Current students receive a **\$10** tuition discount for every new student they refer who registers!
